Committee Plans Park Dedication Program

"Marchbank Park!"
At the dedication ceremonies, Sunday, the newly beautified park in Vista Grande tract will be named after Daly City's most illustrious citizen, J. W. Marchbank.

The dedication ceremonies, arranged by Henry Sundermann, councilman, and chairman of the day, will begin with a parade, starting at what is now Acton playground, at Acton and Brunswick. Most of the organizations in Daly City plan to participate in the parade. The playground will be dedicated by Councilman Edmund Cavanaugh, and will be named "Lincoln Playground."

The parade will travel to "Marchbank Park," where the dedication will be made by Sundermann. He will also give talks on the history of Daly City, and something of the biography of Marchbank.

The baseball game, which will immediately follow the ceremonies, has been arranged by Cavanaugh, who has taken a great deal of trouble to procure two "A" teams that will play a top-notch game.

The "Daly City All Stars" will play the Owl Drug team, a first-class San Francisco outfit. The

Swedes First
The Swedes, coming from a log-house country, built the first log cabins in Delaware in 1638. The Pennsylvania Dutch and the early Irish later made them popular.

Diet Changes
Since 1917 the American public has changed its diet by increasing the use of salads, salted milk, whole milk, fresh fruit, canned fruit and fresh vegetables.

Councilman Sundermann, Chairman Of The Day
Daly City team is coached by Albert Biggs, Jefferson Union high school coach. The Owl Drug team is managed by Otto Olson.
Probable line-ups are as follows:

Ticket Trickery

If you can get a traffic ticket
"fixed" in your town the chances
are that more serious offenses are
also being condoned, according to
the National Consumers tax com-
mission, whose tax reduction drive
seeks additional municipal economy
and efficiency.

Dog Stays On

Frank Brusewitz has retired as
station agent for the Great Northern
railroad here but his faithful dog,
Terry, carries on. Terry reaches
the station every morning at 7:30
o'clock, meets all passenger trains
and then trots to the post office and
bank—a routine he followed with his
master for years.

More Space

If there is too little wall space to
arrange furniture attractively, a
door which is not absolutely essen-
tial could be permanently locked and
covered with an appropriate wall
hanging. Or if the room is to be
repared, the door might be
blocked in with a plywood panel
and papered.

Booming Railway Business

Passenger traffic on the Eastern
Bengal railway in India has shown
a substantial increase since report-
ed healing powers of the four-year-
old son of a Saidpur station agent
have become known. The boy is
said to be able to cure sufferers by
breathing on them.

Silver Lining

War has a silver lining for 94,000
who were on relief last winter in
St. John's, Newfoundland. Its great
newsprint and its wood-pulp and
mine-prop industries have been re-
vived with the closing of the Baltic.
Iron, lead, and zinc mines are again
operating, while enlistments in the
navy, army and civilian forestry
corps have also helped to reduce un-
employment.

Miners in Sunshine

Miners in the Bunker Hill mine,
in Kellogg, Idaho, must spend some
time, nude, in a sunroom, when they
come off shift, so they can get the
artificial equivalent of several hours
of intense sunshine.

No Log Cabins

Although most American illustrations picture them in log cabins, the late Harold E. Shortell, in the Log Cabin Myth, published by Harvard University Press, states that there were no log cabins in early New England or Virginia. They built frame houses.

Park Dedication

(Continued from Page 1)

Owl Drugs: Race, Beck, Murphy, Baletto, Moticelli, Antroccoli, Ballestri, Baisa, Wetmore, Spitz, and Wilson. Daly City: Krohn, Ragghianti, Pfeifer, Walsh, LeKoff, Compagno, Schultz, Rettig, Petrocchi, Giusti, Poddig, and Lucia.

Invocation will be spoken at the park by Father Thomas Phelan, of Our Lady of Perpetual Help church.

To celebrate Daly City's thirtieth anniversary recognition will be given all "pioneers," who have been residents of this community for more than 25 years. They will be given badges, will be introduced to the crowd, and Sundermann will give a talk in "recognition" of their long stay in Daly City.

Guard President

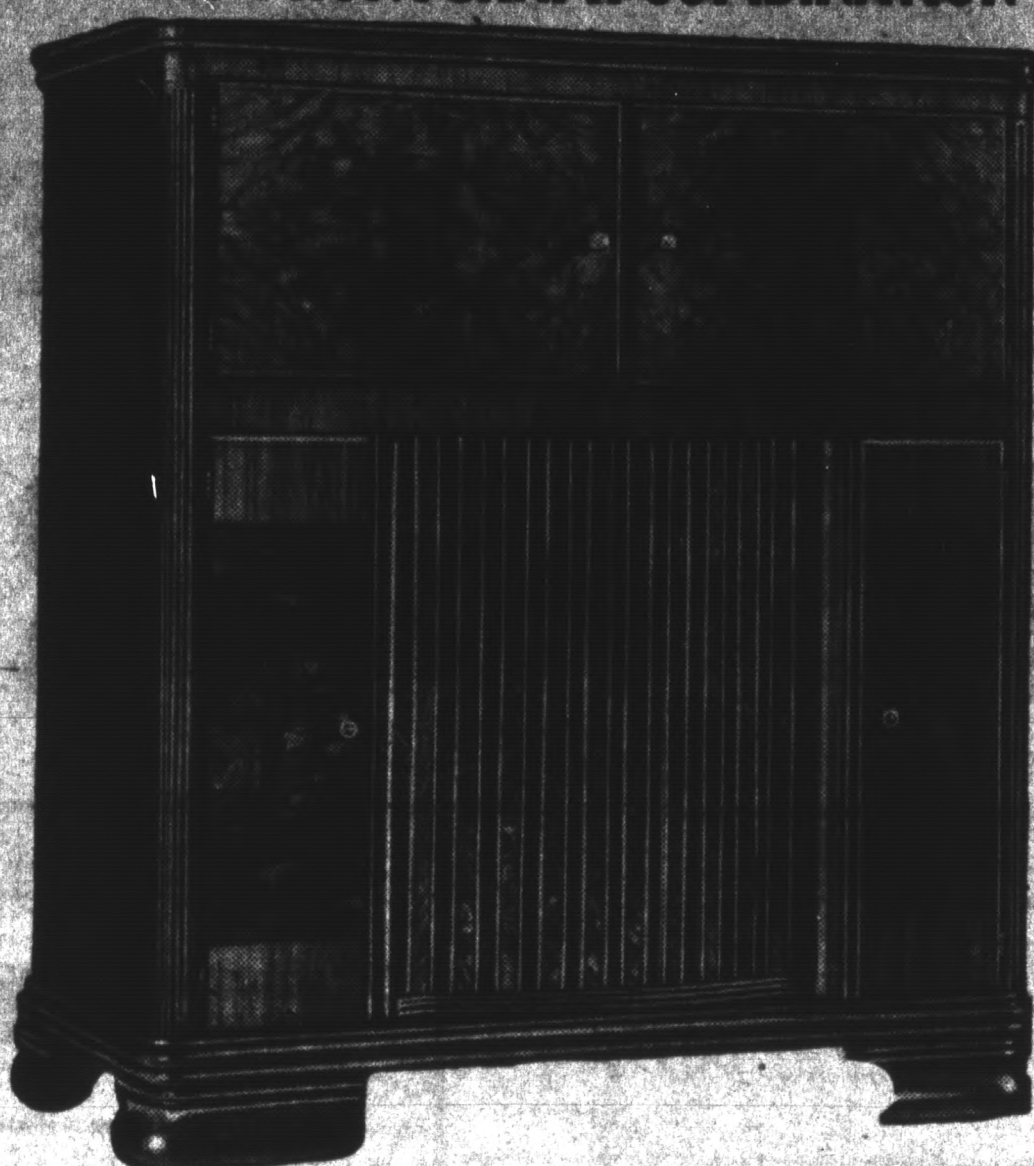

At President Roosevelt's party for Washington newspaper reporters, guests who had wandered to the south lawn had a queer sensation when they tried to get back into the Mansion and found the doors locked. Peering through the windows they saw that the brightly lighted Red room, the Blue room and the Green room had been suddenly emptied. Before long, a secret service aide came to explain. The rooms had been cleared to allow President Roosevelt to pass through to his private elevator. Just part of closer guarding of the President since the war has become worse.

Women Emancipated

In dry Uzbekistan, where much of the Soviet Union's increasing cotton supply is produced by the aid of irrigation, some three-quarters of the population is made up of Uzbeks, with minority groups of Tatars, Tajiks, Cossacks and Russians. Today—in a country where wives were once bought for so much rice—women are now reported to account for one-third of the industrial workers, many of them skilled as machinists and tractor operators. Others have become teachers, actresses and physicians.
